**JOINT NOTICE REGARDING DKT. 183**

Pursuant to the Court's Order [Dkt. 214], the parties file this Joint Notice regarding the status of Verizon's Motion to Compel Huawei's Production of Documents [Dkt. 183] and hereby notify the Court as follows:

Counsel for Huawei, Greg Love and Jason Cassady, have met and conferred with counsel for Verizon, Deron Dacus, Charles Verhoeven, Patrick Curran, and Andrea Roberts, numerous times since Verizon filed its Motion To Compel Huawei's Production Of Documents [Dkt. 183] on February 2, 2021. The parties have continued to confer over email as well. The parties have made significant progress in coming to an agreement for the 709 documents that were at issue in Verizon's motion. Of the approximate 112 documents that were still at issue as of the parties' February 12, 2021 Joint Status Report, the parties have resolved an additional 23 documents, and approximately 43 more pending further review, and are hopeful to resolve the remainder without the need for Court intervention. The parties are continuing to discuss these remaining documents. Given that Huawei's counsel experienced significant hardship this week with the Texas state-wide power outages and water shortages, and because Huawei is in the midst of the Chinese New Year celebration, the parties jointly and humbly request the Court extend the time for the parties to engage in additional fact-finding and negotiation to Wednesday, February 24, 2021. Accordingly, for efficiency purposes and to avoid wasting resources, the parties further request the Court extend Huawei's deadline to respond to Verizon's Motion To Compel Huawei's Production Of Documents [Dkt. 183] to Friday, February 26, 2021.

Dated: February 19, 2021
